Well lady
as these last few
days in the hole"
slowly draw to a close,
all of his seniors seem
to be doing a lot of thinking.
In my five "2 little pigs There's
always I'll carry the memories we've
shared with me forever. When you
forget a couple of times when you've
and I both cried over a couple of fellas
that we have now both forgotten and foolish. Remember Xmas and
the Christmas formal a few years ago? Those are
just "young and
foolish" memories
that you and I can share through thick
and thin, through the nicest
times and the worst times. You are
one of the nicest
girls I've ever met
and I wish you
the best of luck
in the future.
Always be happy
and have many
"Buckes".

Dear Jo,

Well we have another year to go. Thank heaven's. Sure glad of that. Sure have had lots of fun this years. Going to the beach with Luana. I hope next year we have really alot of fun. All of the stuff that we've been planned this year. I wonder what our plans next year will be. Good luck to you and Dave. Hope you look him. We sure have had fun together ever since I met you. In high school we've really had fun together. The time over at Essor before Luana had there dance. What a mess. Sure was fun. Well good luck "Cappie you'll need it. See ya later. "Good luck!

"Missey" "Jo" "Queenie" No. 3 "Mrs. E" "Mother" — etc.

They all belong to you — What a bunch of crazy names!

Well, "toots," I finally made it. You know how much trouble I've had this past year, especially with Ted, and you've been a big help in solving my problems. I don't know what I could have done without you! I have no idea how my future will turn out, but I certainly hope I end up with "Daddy" (Ted) and you had just better let me be in your wedding. I know that you and Dave will get married eventually, your folks have been just wonderful to me too, this year, and I have really appreciated it. I wonder how many times I've eaten at your house, and the many times I've come down just to have a "gossip session?" I don't think you realize how bad I felt when you didn't make Rally. There was no one who deserved it more than you did. I've heard that said time and time again lately —

I hope that we can always be as close as we have this past year, Jo, and that our babies will grow up to be just as good friends. (I still intend to upset Dave's plans and marry Ted!)

Good luck, 'cause you'll need it; and when you ever need advise, just come to good olé "Queenie No. 1."

Love

Jo

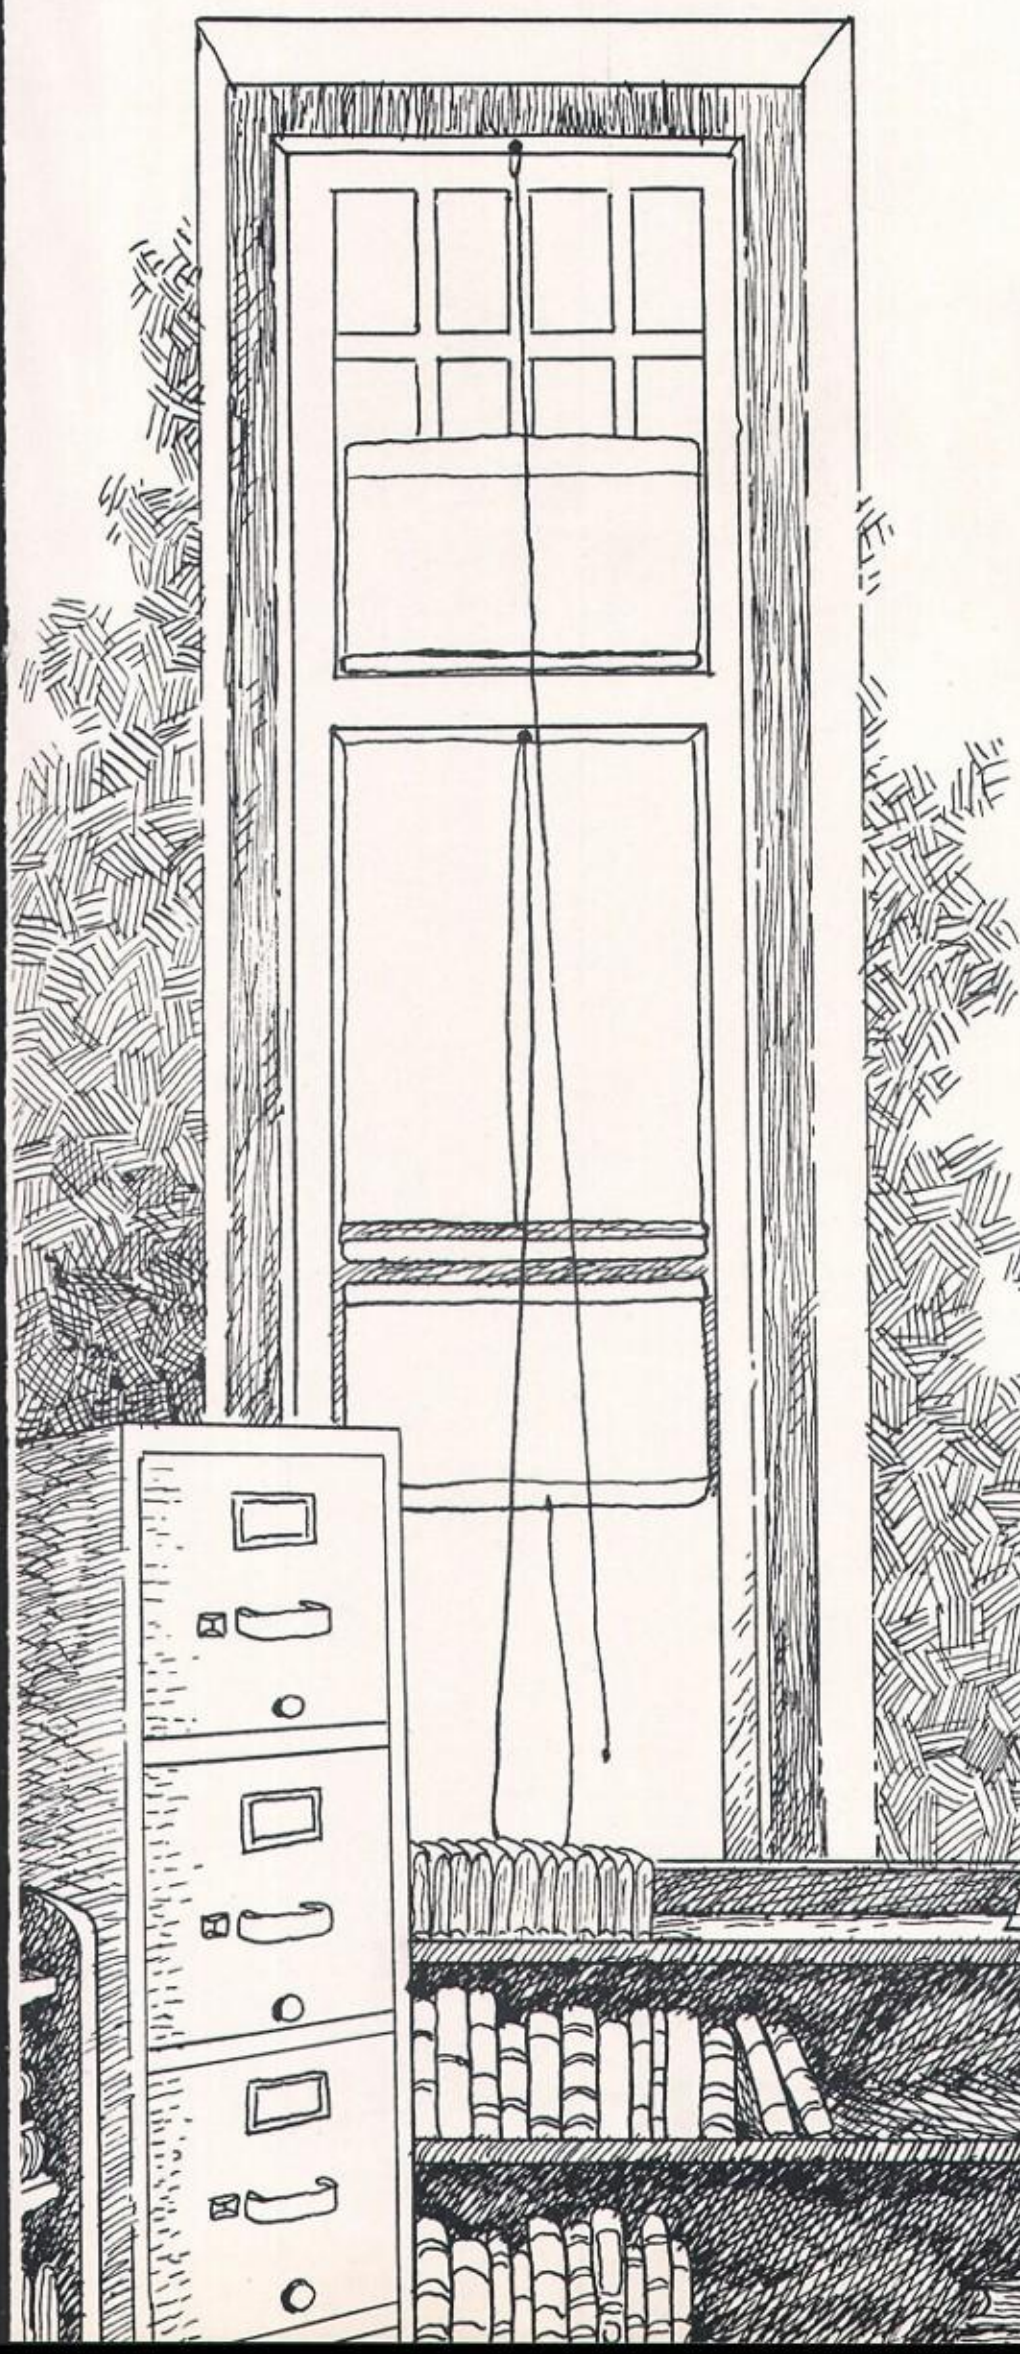
This book is dedicated to the *Youth* at ROOSEVELT HIGH SCHOOL



There is many a battle thats' yet to be won,
There is many a glorious deed to be done.
The world is still young! For the youth at its dare
There are tasks some shall do never
dreamed of before
It is not an old world, warm and wrinkled
and gray,
It's a world that is being reborn everyday.
The old hearts are settled and fixed and thy'll do
Nothing thats' daring or brilliant or new.
Their days of adventure have long since
gone by,
They have finished their tasks and they're
waiting to die;
But the youngsters who stand at the world's
open door
Have much to achieve never dreamed of before.
On the well-traveled lanes of the land
and the sea
Everyday will the crowds of humanity be.
On the streets which are paved and the
avenues known
Are the people who care not to venture alone.
But the young heart and stout sees the goal
that's afar,
And dares to set out where the strange
dangers are.
What's not possible now shall be possible when
Some young heart and brave shows the way
to all men
Youth shall remake the World. What is
best of to-day
Shall to-morrow to some-thing that's better
give way.
So, come you young fellows to life, with a will,
While you work and you dream the world
cannot stand still.

ROOSEVELT STUDENT BODY GOES TO THE POLLS!

Twice each year the Roosevelt Student Body goes to the polls to elect their student council. Each time the senior social studies classes have charge of the voting booths. There are four students assigned to each class. Two of them check registration and student body cards and give out the ballots. The other two collect the ballots and check them off after the student has voted. The procedure used is much the same as that used in public elections.

Princess Blanche Krulik

Roosevelt's annual Iris Show honororing the May Queen and her Court was held on May 20. The runner up for Rose Festival princess is crowned May Queen and the next 8 candidates are her court. The top ten candidates were: Connie Frazier, Blanche Krulik, Diane Spath, Rosemary Ridenour, Diane Carlson, Deanna Hughes, Nadine Levin, Carol Ramseth, Billie Jean Montag, and Yvonne Kliev.

The library was a picture of pretty colors and pretty girls, Iris displays were received from the community, schools, certain groups and individual students. Classified displays gave attention to individual blooms, and students interested in floral work created displays, the winners receiving scholarships for study in the field. Diane Spath, senior, was chairman of the Iris Show, and Elizabeth Brandt, junior, was her assistant. The doors were open from ten o'clock in the morning to eight o'clock in the evening. It was one of Roosevelt's finest Iris Shows — this floral show of '55.

VOL. 39 JUNE 8, 1955

YEARBOOK STAFF REACHES ALL-TIME HIGH

by Carolyn Ketel

Step right up, fellows and gals, into the yearbook of '55! Something seems familiar — you're right! It's "Within the Walls of Roosevelt High School"—the theme created by our advisor, Mr. Ford, with suggestions of art-work by the editor, Ron Kincaid.

On the first end sheet you see the entrance of our school, leading into the building where activities are conducted. Peeking through the windows, you see the teachers, carrying out their special jobs; and the class officers appear to be on the walls of the school, to further carry out the theme.

Let's look around a bit, at some of the things that make Roosevelt different. Over here, on pages 82 and 83, we find the "Iris Show," and pick up on "Who's Who?", page 90. "Round and Round She Goes," on pages 136 and 137 shows the music department, but get "Fan These Cool Cool Kids," on pages 170 and 171. Around this corner — no, she's over there — say! What is this? It's "Seeing Double," on pages 166 and 167. There's fun all over again on "Cotton and Cord Day," on page 179, and every-one becomes a "hill-billy" on "Sadie Hawkins Day"—pages 140 and 141. These pages are special features of this book, where we lend opportunity for the staff to be entirely original. And, just before you leave, we find a summary of the mythical dream which has carried you "Within the Walls of Roosevelt High School."

Darkroom Technician Does Outstanding Job

Joe Janni
Darkroom Technician

This year the Ranger has had a darkroom technician sophomore Joe Janni. Eighty-five percent of the pictures in this year's annual were processed by Joe, and they show that he has become quite an expert with his developing. Joe is an example of the American tradition of "getting ahead." When he was in the eighth grade he received a home developing kit, and, his interest was aroused. He was found, quite by chance, when he transferred to Roosevelt from another school just this year. Joe likes his work — and it shows up in its quality. The division pages were the result of Joe's idea, and are an excellent example of his superior work.

Journalists Visit Press

Tuesday, March 22, was Portland High School Press Day, and the nine city high schools sent a delegate to each of the city newspapers. Roosevelt's representative to the Journal was Keith Miller and to the Oregonian was Carolyn Ketel. When the nine delegates to the Oregonian arrived, they were taken on a well-supervised tour through the building, following the actual route of a newspaper. After this, they gathered for a short discussion, and were given personal assignments to certain members of the Oregonian staff. Ineterested in general reporting, Carolyn was sent to the City Hall, in the care of reporter Paul Hauser. Mr. Hauser discussed reporting with Carolyn and showed her through the building, introducing her to the city commissioners and other prominent

Work in that department. Ron made himself a reputation in the 1954 yearbook for his exceptional art work on the division pages. It was because of this outstanding work that he was chosen as the editor of the 1955 Ranger. This year, art has been used as decorations for photographs and layout. Ron was a fine editor and a wonderful person to work with. His effort and that of the staff have combined to bring you what we hope to be the finest of Roosevelt's annuals.

Dad's Club

Service can best be rendered by those persons who are good citizens and sincere in their efforts to do good for others. Hence, the Dad's Club is an excellent example of a good service organization.

The Dad's Club has served as police guard for football and basketball games ever since we got the new facilities for each sport. They have sponsored banquets for athletes in all sports every year, and are responsible for the Stan McGuire memorial, the flag pole and the concrete setting.

Last year, for the first time, they awarded a two-hundred dollar scholarship to a deserving student. They also helped buy our television set. They sponsored the annual "Deb's Dance" — probably the most successful dance of the year — all free.

They sponsored the recent wrestling match, the profits of which will go to an all-sports banquet. The time and the place of the banquet has not been decided yet, but a downtown site for the banquet with a probable four hundred diners has been considered.

There have been many outstanding personalities in the Dad's Club, some perhaps in charge of parent chaperones at all of the dances — certain members have been present at practically every school affair. Then there are those that are in charge of booster decals — the whole committe has done an excellent job, making from five hundred to a thousand dollars every year from their sale. Each year they pay fifty dollars to the Ranger to pay for a special edition to thank those who bought decals.

They have a fund which is made available to the principal from which he can draw — no questions asked — to help unfortunate and needy students.

They have paid for busses to transfer the band to other schools, both in Portland and also last year when they went to the state tournament. Also, last year, when Coach Rasmussen wanted to take nineteen players to the tournament and he was only allowed expenses for eighteen, the Dad's Club made available the money for the expenses of the nineteenth.

The Dad's Club is not only interested in sports, however, as many people think. To show this, it might be interesting to note that they have an understanding with the music and drama departments to do their best to sell two hundred tickets to any of their programs. Roosevelt is proud of its Dad's Club, as truly they have a right to be, for is is one of the best in the city.

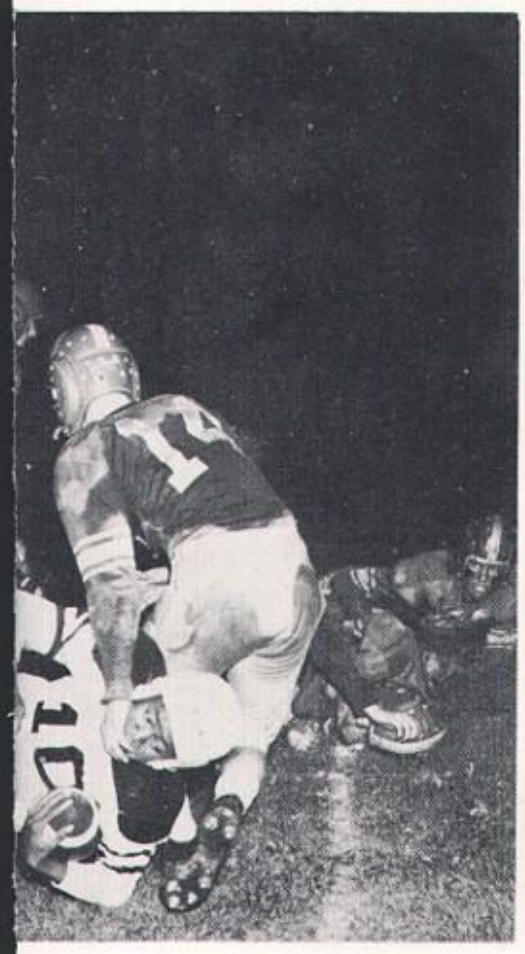
MEL SWEET

The loss of Mel Sweet, the first string quarterback, hurt the Teds chances for a first place finish. Mel's shoulder was separated when he attempted an end run in the Cleveland game. He was a senior and won't be back next year.

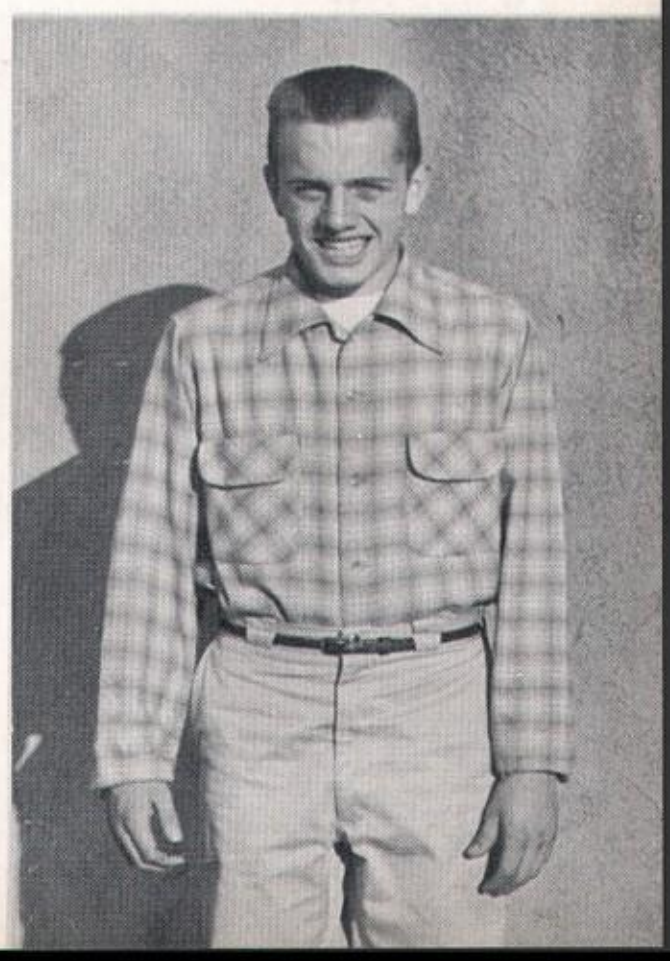
George Janssens (5) booms over right tackle for a short gain. Blocking for him is Tom Morris (9). Standing in the background is Bill Welch (37) and Charles Ganter (6). The Teds came out on top 14 to 7 after a hard fought battle.

Belton Ollison, Teddy fullback, drives hard around end where he was stopped by a Benson tackler. The game ended in a deadlock 19 to 19.

A Franklin halfback is being held from further yardage by the toe grip of Daryle Russell, defensive halfback. Jerry Barnett (40) streaks across for the kill. This piece of action took place in the jamboree.



Quarterback, Chuck Ganter (10) drives for a touchdown in the Cleveland game. Mickey Gray, on ground, looks up while Bill Welch, tackle, stands by. The Teds won this hard fought battle 14 to 15.



Daryle Russell, first string defensive halfback, was a great help to the Teds. In a practice session before the Jefferson game, Russell was injured with a smashed kidney resulting from a knee in the side. He is a Junior and will be back next year.

Duane Huglet, a hard hitting defensive halfback

He was an standing athlete only at Roos but also Oregon College where made the all selections.

Quiet-spoken Mickey Gray captured many honors this past football season. He was selected as center on the all-city first team and on the all-state second team. The sports writers of both papers voted Mickey as lineman of the year. He will be one of the nine players representing Portland in the Shrine All-Star game. Last but not least, he received the Hal York trophy as the most outstanding ballplayer on the squad. It was quite a few honors for a boy playing his first year on the varsity first string.

Pictured below is the Roosevelt Stadium as seen from the west end of the stands. In the far background the Stan McGuire memorial can be seen. The field is one of the finest playing fields in the city outside of Multnomah Stadium. It is well lighted and provides Roosevelt with a good place to display its fine football teams.

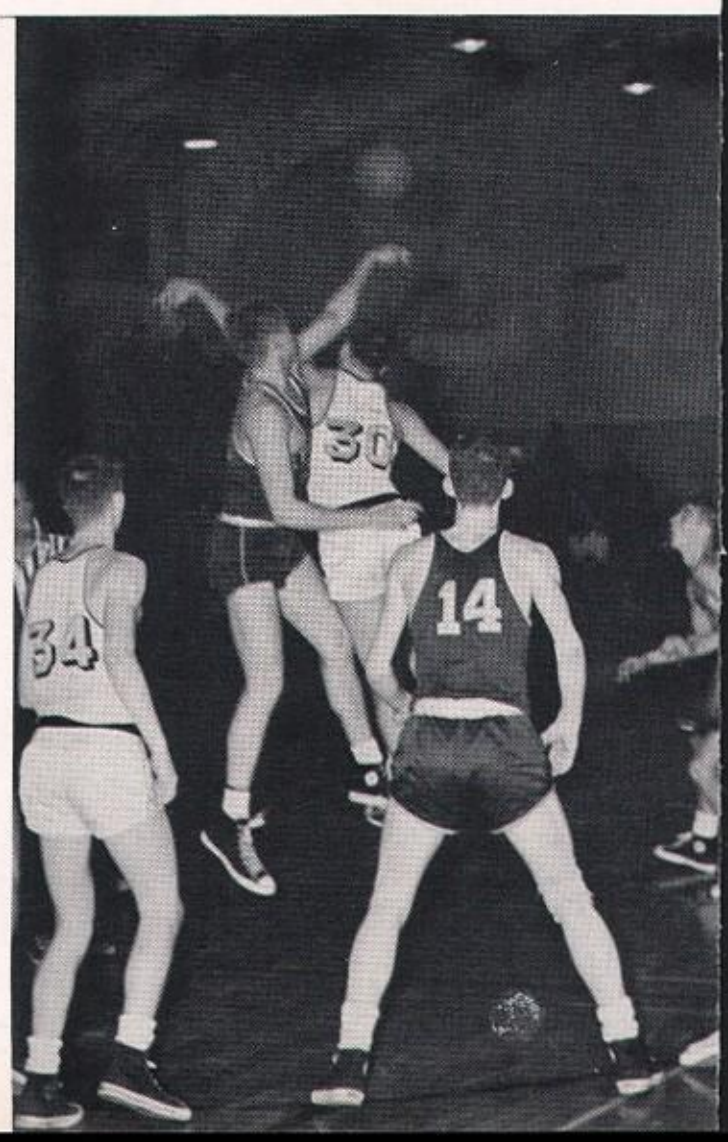
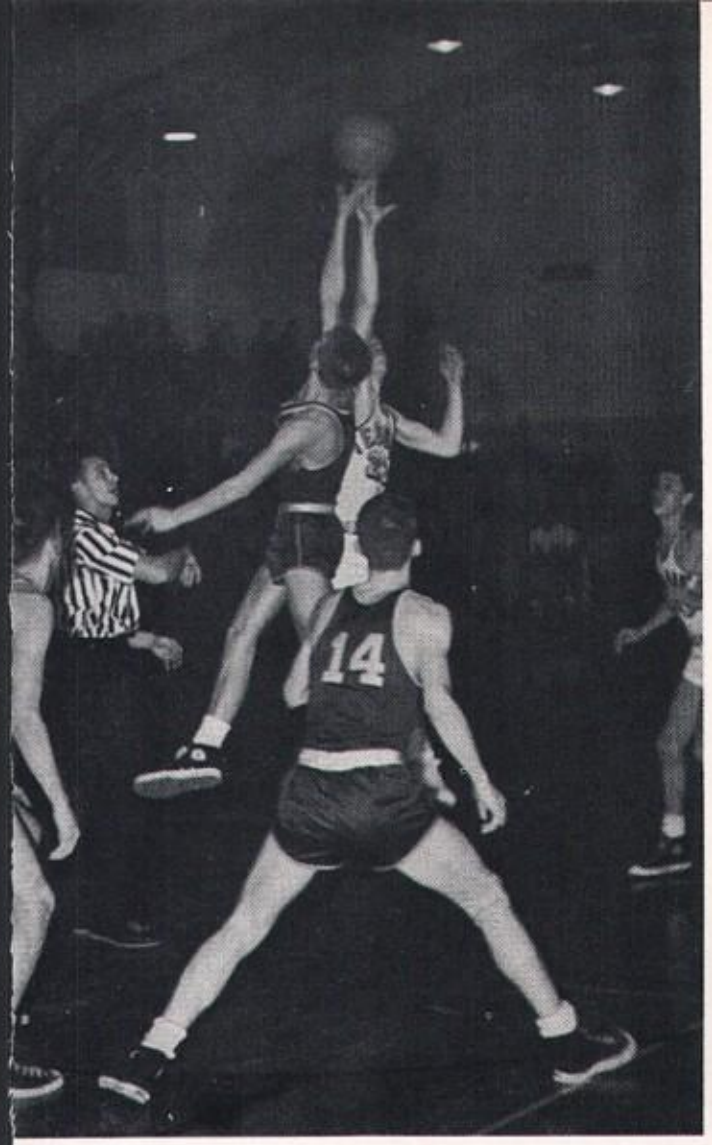
Hurt by graduation, the Teds took the court this year with only one man returning from last years city champions, Richie Curtis. The Teds won only two games, but they proved that you don't have to be a winning team to be a good team. This year's team was outclassed, out rebounded and out scored, but was not out hustled. The will to win was with the Teds right down to the last game. The loss of men like Mickey Gray, "Snook" Olsen, Richard Burger, Jim Massey and Richie Curtis will be felt next year. There wan't a man on the squad, be he freshman, sophomore, junior or senior that didn't get to play, and every man by the end of the year had started at least one game.

Notable was the presence of at least one representative of each class in school. There was Sherman Cochran, the first freshman to receive a varsity basketball letter since Jackson Winters; there was Mike Bopp, one of the sharpest, fastest ballplayers to emerge from the sophomore class; there was Don Murray, Daryle Russell, Allen Ramsthel, Don Royse, Charley Ganter and Belton Ollison, all of them juniors. They all turned in stellar performances for the Teds, and of course, there are the aforementioned seniors.

Roosevelt lost several games by close margins and three in overtimes. There were only two wins, both over the hapless Techmen of Benson. It is notable that Benson and Roosevelt ended up one and two in the league last year, but ended up last and next to last this year. It seems likely that the Roughriders should be up in the top bracket next year.

Mickey Gray (30) Teddy center, goes hig in air for a jump ball against Jefferson. Do Royse (34) and Belton Ollison (23) look on.





Richie Curtis jumps with Chuck Rask in the emos tilt. Mickey Gray (30) and Mike Bopp 0) look on in awe. Jerry Spivey (14) of Jefrson stands ready.

There were many fine performers for Teddy High. Julius Strong and Richard Curtis were tops in track. These two men helped make Rcosevelt one of the strongest track teams in the state. Charley Ganter, Snook Olsen, Mickey Gray and Bob Theirmen are just a few of the top baseball players. In track several records fell under the pounding spikes of the thin-clads. The 880 relay team with Daryle Russell, Julius Strong, Richard Curtis, and Arliss Dietz set two records with a time of 1:31.4 in the Willamette Relays and in a Duel Meet. Strong ran the century in 9.9, and the 220 in 21.9. Curtis buzzed over the low hurdles in 21.7 and whipped over the highs in 14.9. There were other good performers for the team too. Ben Law and Richard Hoisington ran the 880. John Petke and Jack Dunford were in the mile. Bill Kline threw the javelin, disc, and shot. In the hurdles there were Denver Vance, Gene Whitney, and Gary Meyer. Russell and Chuck Poitras broad jumped. Dietz along with Russell ran the 440. Last was Glen Johnson in the pole vault. The other spring sport baseball, suffered when boys like Bill Wiitila, Norm Peterson, Curtis Knight and Dave Wanaka were lost from last years state championship team by graduation. They ended the season winning their share of the games. Both the baseball and the track teams will lose many star performers via graduation.

In the future, when you have need for good photographs taken by a professional photographer, whether it be a portrait, special pictures for special events, a family group, for formals or candids when you are married, feel free to tell us your requirements. We have an especially fine service on wedding portraits.

We shall look forward to seeing you when you again need photographs taken by a professional photographer.

Let us again express our appreciation for the fine cooperation of the entire student body. It has made our work with you very pleasant.

Sincerely,
KENNELL-ELLIS

Joanne,

Well, we made it through this year & maybe we will pull through next year. I really a great kid and I'll always remember the fun we had together at meetings and especially the beach trip. That was really fun, especially when the boys came down. And that big hike too. Next year we will have good times in Luana (if you're not married by then) & you'll probably elope before he goes HAHA) Peers wishing you the best of luck & a kid who's always full of fun & good times. Best of luck with you and Dave. He's the best for you, of course you already know that. I'll see you this summer if you don't work to hard.

KILHAM STATIONERY & PRINTING CO., PORTLAND, ORE.

Joanne,

It all the year finally ended & believe me I never thought it would. We had a lot of fun in Luana and next year we'll have more if I come back. Take good care of Dave and don't forget to send me a Wedding Invitation. Come & see me this summer & I'll be sure & send you an announcement. The showers are something I'll never forget.

(look on page 84)

Love 'n' Luck,

Shilee
